

On July 21 a party was held at the chapter house by the summer students in honor of Brother Harris who left for the East on the twenty-fifth. Fortunately Brother Robert Beebe, ΦE , was able to spend the week-end with us at this time. During the fore part of the evening a little theater party was held after which the guests returned to the chapter house where frappe, ice cream, cake, and candy was served.

With the news at hand that Brother "Busse" Dayton is practising hard on the bones this summer prospects look good for a strong house orchestra again this year.

Brother Fred Leggitt has suffered from a severe case of appendicitis but is now able to be out.

The interior of the chapter house is to be improved considerably by adding some new draperies downstairs and some papering in some of the upstairs rooms.

Phi Kappa expects to have a banner year this year as twenty-two Brothers are returning.

We were pleased to welcome Brother Beebe, ΦE , as a visitor during the summer.

HAROLD PATTERSON OWEN.
