

We were pleased to have Brother Ernest Somerville  $\Phi \Psi$ , with us for October 13 and 14. He attended the Colgate game with us, and, although Illinois did not win, he saw the best-fought game of the season.

November 17 and 18 were the home-coming days for Illinois. There were nine alumni back and a number of visitors. The afternoon of the seventeenth the Senior Hobo parade was held, in which every member of the class of '17 dressed up as hobos, clowns, "dames," animals, and what not, and paraded through the streets of Champaign. Saturday morning the intersorority relay races were held in place of the freshman-sophomore sack rush, which was abandoned last year. Postulant Christ was picked to run for K A  $\Theta$ , the winning team. In the afternoon the Illinois-Chicago game was played, and we regret to say that Illinois lost. In the evening, a smoker was held at the chapter house, at which the Alumni and Residents reviewed old times between puffs. The Alumni Home-comers were: Brothers Peterson '14; Lundin '15; Beifuss '15; Owen '16; Behr '16; Carlson '16; Andrews '16; Clayton ex-'17; and Brotherton ex-'17.

Our newest and most privileged member arrived at the time of home-coming. His name is Duffy—not Mr. Duffy, but just Duffy. He came from the Fox River Kennels, and is a five-months-old, pedigreed Boston bull pup.

Brothers Clark and Owen have been elected to Theta Tau, professional engineering Fraternity.

Friday night, December 8, the Junior Prom was held. Eight of the Brothers attended the Prom.

Work has been commenced on the \$250,000 music hall which will be completed in the fall. This will, no doubt, greatly enlarge the music department of the university.

Phi Kappa sends to the other chapters best wishes for success in the semester examinations.

HAROLD PATTERSON OWEN.
