

of our sophomores are competing for managerships this fall: Brother Mark Pabst, baseball; Brother Stub Meals, track; and Brother John Goddard, circus. Postulant Sprouse is also out for freshman basketball. Brother Dutch Sturdivant is entered in the golf finals and Postulant Austin is entered in the tennis finals. Rufus has also a part in the Maske and Bauble fall play. Brother Peirce and Postulant Price are expected to make places on the varsity and freshman varsity swimming teams. Brother Hal Taylor has been pledged to Phi Delta Phi.

Green Street is scarcely recognizable to the old Grads. During the summer the street was widened between Sixth and Wright and half a block of two-story shop building was erected. The rest of the University district in Champaign is trying to keep up with the Green Street merchants by installing a new lighting system.

With the "Biggest Homecoming," the opening of the new House, and what not, the number of Grads visiting the Chapter will no doubt break all records this year.
