

Phi Kappa

Illinois

⌘ Well, here it is final exam time again, and all of us here at Illinois are "booking it" these last few weeks. The Brothers of Phi Kappa have pledged a goal of 3.5 house average (based on the 5 point system) to their alums, and everyone is knuckling down to achieve this.

Our recent winter formal, entitled "Snowed In," was marred somewhat by a tragic occurrence. The band that was to play at our dance was involved in an auto accident en route to the Chapter House, and all six members were killed. But in spite of this set back, the dance was a success, thanks to some quick thinking by Brother Bonnem, our dance chairman.

We are looking forward to a good rush this next semester, and hoping to pick up a few more top men.

The men of Phi Kappa found the recent scholarship conclave at Purdue to be both rewarding and entertaining as President Chuck Mullett '60 reports. Our Purdue Chapter paid us a surprising return visit recently.

Since the last issue came out, Phi Kappa is proud to announce the initiation of Dennis W. Duffield, '61. Denny is a pre-veterinary medicine man, and a member of Phi Eta Sigma honorary fraternity.

The Crows of Phi Kappa wish the best of luck to all chapters in finals and in the coming semester.
