

☞ The Crows of Phi Kappa are proud to announce that the Chapter house is still standing.

The men of Phi Kappa really hit the books last semester, moving our house up 22 positions in the fraternity grade standings. The Brothers even surpassed the 3.5 average that they had promised, although the pledge average wasn't quite as high. For this semester we have promised to be among the top ten houses on campus.

Due to the persuasive rushing of our two P. E. majors, Brothers Behnke and Stephens, we announce the pledging of four top men. Although they are not our official rush chairmen, their methods have produced the best results. Our new pledges are Gary Wolf, Larry Johnson, Larry Stroup, and John Laing (all '63).

In March Richard W. Murray '63, Richard L. Ruddell '63, Alvin W. Reitz '62, and William C. Terpstra '61 were initiated. The next week elections were held with the following Brothers being elected to office: President, Terry Romack '62; Vice-President, Robert Behnke '61; Ritual Officer, Fred Wetering '61; Chaplain, Dennis Duffield '61; Secretary, Richard Ruddell '63; Treasurer, Leon Schroeder '61; Sergeant at Arms, Richard Murray '63; Corresponding Secretary, William Terpstra '61; Executive at Large, Wayne Stephens '61.
