A MESSAGE TO PHI KAPPA ALUMNI FROM THE UNDERGRADUATE PRESIDENT

- - -

By Chuck Hulic, President

The first thing I want to do in this message to Phi Kappa alumni everywhere is to express a "thank you" to you from all the men in the house for the new rugs, new lamps and ashtrays. They have added a fine touch to the first floor, and as you can see from looking at the list of new pledges elsewhere on this page, the furniture hasn't hurt a thing. We have also added additional men to our pledge roster since the list was made up.

Along this same line we might ask a favor of you. If you know of any boy from your town who is planning on coming to Illinois, first of all you might see if he is interested in going thru rush, and if he isn't, then talk him into it. Then send his name to the chapter house. This would really help us, since formal rush will start during a week-end in May this year, and we will not have time to go see the boy as we have had in the summers of the past years.

Also, names of prospective rushees that are now enrolled at Illinois would be a big help. Over-all Champaign-Urbana enrollment has swelled to nearly 26,000 and leads as to top-notch fraternity material on the campus are difficult to obtain.

As far as other things are concerned, we have had a fine start for the year with a spirited pledge class, spirited house, The physical plant of the house is in good shape and quite a few of the men are in activities all over campus. With all of our house activities which include the Purdue chapter coming here for the Purdue-Illinois football game and our chapter going to Wisconsin for the Wisconsin-Illini football game, it looks like a fine year.

Watch subsequent issues of THE PHI KAPPA NEWS for all the doings and happenings of Alpha Chi Rho on the Illinois campus.

INTRAMURAL OUTLOOK FOR 1963-1964 FAVORABLE

- - -

By Lee Johnson, I-M Manager

This year U. of I. fraternities are divided into two divisions--the blue for houses with 50 or more men and the orange for houses with under 50 men. Alpha Chi Rho is participating in the orange division.

In our first I-M football game against Delta Sigma Phi, our suburb defense was the determining factor as we won 6-0. Working behind the blocking of Don Sanders, John Hull, and Rick Ruddell, we allowed Delta Sigma Phi only one good opportunity to score.
