PHI KAPPA PAIRED FOR HOMECOMING STUNT SHOW WITH PRESBY HALL

Homecoming is October 22 (Illinois vs Stanford) and Phi Kappa has paired with Presby Hall, winners of the Atius-Sachem University Sing for the last two years. We think our chances are good and hope you will see us in the finals when you come back for the 1966 Homecoming festivities.

PHI KAPPA DOES O.K. IN APRIL FORMAL RUSH

Alpha Chi Rho pledged 12 men during Formal Rush held on April 17 and the names of our new pledges will be announced in our next PHI KAPPA NEWS. These 12 join two other men pledged through high school week-ends, thus giving us a total of 14 pledges so far for next fall. We hope to raise this total to 20 by next September. Hats off to Rush Chairman Joe Hayek '67 for a job well done.

PHI KAPPA'S GOLDEN ANNIVERSARY SUCCESSFUL

Thanks to the efforts of Brother Don Krehl '67 the Golden Anniversary celebration of Phi Kappa was a great success. About 40 alumni and their wives joined the men of Phi Kappa at the Ramada Inn on April 13. In all there were about 150 people present for the dinner. The main speakers included Harry B. Osborn, Alpha Chi Rho National President; Stewart Minton, assistant dean of men for fraternities at the University and the chapter officers. A dance followed the dinner and everyone present seemed to have a wonderful time. We wish all alumni could have been with us. Other campus fraternities holding 50th Anniversaries this spring were Phi Kappa Tau and Theta Chi. Kappa Sigma, founded in 1891, celebrated its 75th birthday on May 14.

FROM THE DESK OF THE PRESIDENT

My administration has one major aim: MORE MEN. We are going to push Alpha Chi Rho harder than it has been pushed for a long time. We are going to pledge 20 men-- we have 14 of those already. We need the support of every alumnus who knows of men coming to the University. Please send us the names of these men so we can contact them next fall or perhaps this summer. In turn we pledge ourselves to your Fraternity and shall work to make it greater than ever before.

Fraternally,

Dennis Frings

The price is right (free), the beds are soft, the food is palatable, the drink is liquid, and the conversation--downright disgusting. As for you old Crows, just come on over and we'll relax around the pool, do a little sight-seeing, and meditate on times be-gone. Four Lakes is the name of the apartment complex and it bespeaks of skiing in the winter and sailing in the summer (if you have an extremely small boat." Fred is teaching at Glen Ellyn Senior High.
