University of Illinois

⌘ WITH the coming of Phi Kappa's eighteen new pledges this fall came the transition of the Brothers into real activity men. The dining room fairly seethes with men in shirt sleeves and sweaters. Privileged men, these who engage in campus activities.

Foremost among the activity men stands our prexy, Theodore Q. Hoffman, '36. Brother Hoffman is a member of the student senate, dance supervision committee, and fine arts student council. Arnold J. Pottieger, '36, may be seen daily and sometimes nightly bending over a junior editor's desk at *The Daily Illini* office.

Brother Pottieger has recently been made a member of Sigma Delta Chi, honorary journalism fraternity. Brothers Byron B. Dressler, '37, Dick Shelton, '36, Dave Mathew, '36, George Austin, '35, Robert Roane, '37, and Arnold Pottieger, '36 come home winded every night from their blowing workouts at the band building.
