

Phi Kappa

University of Illinois

⌘ ON FEBRUARY 21 the second initiation of pledges into Phi Kappa was held for the school year of 1936-37. George Troll, Harold Weingartner, John Roane, Blair Stark, Frank Linder, and Charles Norton were initiated. Incidentally, Blair was the intramural golf champion at Illinois this year, too. All the Brothers and initiates wore tuxedos and, speaking from an initiate's standpoint, I would say that the ceremony was very impressive.
