University of Illinois

⌘ THE CHAPTER started its spring social season with a Saturday afternoon tea dance held on April 15. We held our annual Spring Formal on Saturday evening, May 13. As usual this was a dinner dance followed by Sunday dinner for upperclassmen and their dates. The success of the week-end was due to the fine work of the senior class. On Saturday evening, May 6, the boys were hosts to thirty-two mothers at a special Mother's Day banquet.

Among the activity men we have Hal Weingartner '39, who earned his third Iota in fencing. Bob Critton '41, was initiated into Scimitar for his fine work on the fencing squad. Frank Linder '40, earned his senior manager's job as circus and gymnastics manager. Al Schneider '41, was initiated into Sachem, junior activity honorary, and also earned a junior job as track manager.
