

alumni will remember his dad, Stan Hanssen, Sr., '16, who is a charter member of this chapter. Other initiates are Robert Horton, '44, whose brother Dick was in the class of 1932, Frederick Ilseman, '44, Edward Harding, '44, Thomas Jack, '44, and William Hoffman, '44.

Intramural sports still remain one of the active interests among the brothers and postulants. The close of the water polo season left us with a division trophy in our possession. Credit goes to Ralph Ruthenberg, '41, Bob Schmidt, '42, Dick Buckle, '42, Bob Brown, '42, Dennis Malcolmson, '42, Edward Schmidt, '41, Clark Sells, '43, Bill Hibsich, '43, and Carl Mayer, '43, all of whom displayed fine team work. Dick Buckle, '42 was awarded a place on the intramural all star team for his excellent participation. Basketball is now claiming the attention of our sports enthusiasts. We hope to find them at the top with the close of the season.

The social committee composed of Bob Critton, '41, Charles Perkins, '42, and Bob Brown, '42 is also being kept busy providing that much desired entertainment for the fellows. Our most recent social event, the annual Bum Arts Ball was held on March 22. The social committee provided us with a bang-up good time. As many of you alumni will remember, the Ball is the one time where informality reigns. On May 17, we will have our last social event of the year—our Spring Formal. One of the best campus bands has been provided for the occasion. We plan to hold a dinner in the new student union building before the dance. The girls will receive their favors at the dinner and amidst "ohs" and "ahs" we brothers and postulants will proudly accept their gracious thank yous.

As you may already know from reading another article in this same issue, Phi Kappa is going to celebrate its twenty-fifth anniversary on the Illinois campus on the week-end of May 9 and 10. As this year is a landmark for the chapter, we want to have the largest turnout we have ever had. Alumni, brothers, and postulants of Phi Kappa as well as those of other chapters are invited to attend. Stan Hanssen, '16, is taking care of all arrangements from Chicago, while Robert Schmidt, '42, and Bill Hibsich, '43, are taking charge of things down here at Champaign. These fellows are working hard and from their accomplishments up to date, the anniversary promises to be the best in chapter history. So, don't forget. Be on hand for the "big doin's" at the chapter house on May 9 and 10! There will be a smoker on Friday night, followed by a fine banquet and program on Saturday night. In all probability the banquet will be held in the new student union building. Don't miss it!
