

CHAMPAIGN-URBANA

♣ ILLINI ALUMNI led by Stan Hanssen '16 together with the current active Chapter celebrated the twenty-fifth anniversary of the founding of Phi Kappa the week-end of May 9 and 10. The celebration was climaxed by a banquet held on Saturday evening at the Urbana Hotel.

National Councillor Isaac H. Curtis, Phi Chi '22, of Chicago was the toastmaster of the evening. Short talks were made by H. R. Patterson '14 and J. M. Nickelsen '14, as well as by Stan Hanssen '16. The principal speaker of the evening was National President Robert B. Stewart, Phi Omicron '23, who gave an inspiring address in which he charged the Fraternity to fit itself into the educational picture of the institution in which its Chapters happen to be located.

One of the highlights of the evening was the awarding of Outstanding Service Award plaques to two of Phi Kappa's outstanding sons: Stan L. Hanssen '16, and Albert E. Jenner, Jr. '30. Recognition was also given Marshall J. Sweeney '25 for the long and untiring efforts in directing the Chapter's financial program. The excellent financial condition of the House is in a large part attributed to Marsh's able and faithful leadership.

In addition to the resident Chapter members, those attending the celebration included C. Norton Owen '16, H. R. Patterson '14, J. M. Nickelsen '14, H. P. Owen '18, W. W. Dayton '20, G. E. Dickson
