

Brothers from other Chapters would be interested in obtaining a record. Just drop me a line and let me know.

Our twice division water polo champs are still undefeated and we are looking forward to the intramural championship. The mighty "Rufe" Ruthenberg '41, has now been replaced by Fred Moore '44½, who is the scoring ace so far. Other veterans of last year's team include Bud Schmidt '42, Dick Buckle '42, Earl Fox '44, Bill Hunter '43, and Tom Jack '44. Postulant Howie Wissel '45, is ably assisting.

Although our basketball season does not start until the second semester, several of the cagers are already raring to get out on the courts. We will see many new faces with the addition of Postulants John Persohn '45, John Ahlers '44, John Lewis '45, and Howie Wissel '45, all with brilliant high school records in the wake. These prospects along with last year's regulars, Fred Ilseman '44, Earl Fox '44, Ivan Richardson '43, and Dick Buckle '42, should make quite a formidable squad. Many other lesser knowns will be out for positions, which will keep everyone on his toes.

Bill Hoffman '44 married Bette Jane Gifford of St. Joseph, Montana, during the Thanksgiving vacation and is now living in Westport, Connecticut.

Louie Scheidenhelm '43 was recently initiated into the engineering honorary fraternity of Pi Tau Sigma and Bob Taylor '42 is now wearing a Phi Beta Kappa key on his chain.

Initiation time is soon here and we are planning on initiating about ten postulants. They are all fine boys and we are anxious to welcome them in as Brothers. We have recently pledged John Ahlers '44 of Centralia and Bob Kiester '43 of Gordon City, Illinois.
