

LT. PHILLIP A. ROSE '45 was seriously injured in a crash landing at Ontario, California, but is slowly recovering. High praise has been heaped upon him for having averted a more serious tragedy when forced to make a pancake landing with his crippled P-38 plane in a closely built up section of the city.

ENS. ROBERT C. BROWN '42 is a navy pilot in the southwest Pacific.

LT. JOHN H. GILLAN is a ground engineer in the Air Force at Deming, New Mexico.

FRANK C. O'BRIEN '30 is with Corn Products Refining Company at Argo, Illinois.
