

## THE REACTIVATION OF PHI KAPPA AT ILLINOIS

⌘ THE PHI KAPPA RESIDENT CHAPTER WAS reactivated formally on Saturday, November 17, when its charter was returned at a dinner held in the Chapter House. The event was a climax to a most successful rushing season carried on by the eight undergraduate Brothers who returned to college

and made ready for occupancy. They did a perfect job, in fact, the House never looked better. The cooperation and enthusiasm shown by the veteran Brothers was indicative of the spirit of all the veteran Brothers on their return. They "talked each other's language." The job of putting the physical

from service in the same term. The event was also a fitting finishing touch to the application of our national policy of reactivation.

The eight Brothers returned to the Chapter House one week previous to the rushing season during which time the House was cleaned

and made ready for occupancy. They did a perfect job, in fact, the House never looked better. The cooperation and enthusiasm shown by the veteran Brothers was indicative of the spirit of all the veteran Brothers on their return. They "talked each other's language." The job of putting the physical

House in order gave them something in common to do and the opportunity to take up where they left off. They all knew exactly what they wanted to do because they had had a common background and a common goal.

Three days rushing produced thirteen pledges and the campaign was conducted
