

PHI KAPPA AT ILLINOIS

(Continued from page 6)

Houses in sanitary condition, to collect and pay their bills.

The Dean paid a most fitting tribute to Dr. J. Herbert Burgy, past Chapter Adviser, now teaching in the GI University in Biarritz, France. He stated that Burgy was "the best Chapter adviser on the campus when he left, and it will be impossible to replace him." The spontaneous applause indicated that the Brothers present agreed with the Dean unanimously.
