Phi Kappa was fairly certain of placing in the all-university table-tennis tournament when Chuck Schunk and Carl Mayer, both Phi Kappa Brothers, were playing each other for first place in the finals. Chuck won and needless to say, the chapter received the first and second place trophies.

Phi Kappa Brothers have gained various positions in University activities. Bill Wright was appointed senior manager of Star Course. Jim Hogan received a Tau Beta Pi key, which now gives him six honoraries. Sleepy Smithson was active in the Theatre Guild. Trent Knepper, a singing Brother who transferred from Alpha Phi, had the lead role in the operetta "Patience." In the way of sports, Dike Humphrey received his second letter in basketball and Chuck Schunk played on the varsity tennis team.

The Star and Scroll, sophomore activity honorary, was recently reactivated. It was originally organized in 1938 but became inoperative in 1942 because of the war. Phi Kappa is a charter member of Star and Scroll.
