## University of Illinois

The men of Phi Kappa are looking forward to playing host to the Alpha Chi Rho National Convention to be held sometime in September.

February graduates were Karl Franson, '48, Frank Sebek, '48 (pledge), and Otto Ripple, '48. Franson received his bachelor's in chemical engineering, and Sebek and Ripple received their degrees from the college of DSSWV, a special school for war veterans.

Three Brothers have recently been accepted in honoraries. Phi Kappa president Dick Love, '48 made Tau Beta Pi and Sigma Tau, both engineering fraternities. Karl Franson, '48 joined Sigma Xi, research fraternity, and Dick (Herky) Davis, '48 joined Pi Tau Sigma, a mechanical engineering honorary.

Postulant Bob Peterson, '49, was married January 24 to Elsie Towers of Chicago. The ceremony took place in the "windy city."

Phi Kappa's representative on the varsity basketball squad, Dwight Humphrey, '50, planted his pin over the Christmas holidays. "She" is Arlene Iggstrom of Zeta Tau Alpha.

The Phi Kappa Chapter house now proudly displays a handwoven piano blanket donated by Bill Dunn, '47. Mr. and Mrs. A. T. Harding,
