

☞ ELECTIONS were held at Phi Kappa recently and ten new officers will attempt to carry on with the excellent work done by their predecessors. These officers are Gary Wolf, President; John E. Lebeck, Vice President; Richard Ruddell, Executive at Large; William Harant, Ritual Officer; Armand Johnson, Master-at-Arms; Daniel Allen, Chaplain; Paul Phillips, Secretary; Thomas Litvay, Treasurer; John B. Downs, Chapter Correspondent; and Gregory Leigh, Steward.

Another important event of the spring semester was the Initiation of those pledges fortunate enough to make their grades. These are Loren Smith '64, Carthage, Illinois; John McQuown '65, LaGrange, Illinois; Armand Johnson '65, Langing, Illinois; Charles Hulick '65, Shelbyville, Illinois; Paul Phillips '64, Alton, Illinois; John Downs '65, Urbana, Illinois; Chuck Gonylia '64, Peoria, Illinois; and John Elgin '65, Shelbyville, Illinois.

The social scene was really hopping on the night of March 13th. The Phi Kappa Crows held their annual "Cave Man Drag." The evening began with a beer blast at the local "school" establishment, and ended in the wee hours with bedraggled, but happy, fully costumed, "Cavemen" and their mates crawling from the simulated tunnel.

The sports scene looks increasingly favorable, with the Intramural softball, Co-Rec. Softball, bowling, and golf teams going strong. Let's hope for winners in all four.

Our Chapter was recently honored by a visit from our distinguished National Secretary, W. Henson Watchorn, Phi Gamma '29. Brother Watchorn was made an honorary member of the Coxman's Club, and awarded the revered Coxman's trophy, awarded only to Brothers who accomplish extremely noteworthy deeds on behalf of the Fraternity.

Brian Bland finally managed to relinquish his pin to Lynn Cockerell of Memphis, Tennessee, and Ken Breeding and Terry Romack recently became engaged to their former pinmates, Julie Beem and Jane Jontz respectively.

Well, Spring vacation approaches and we're off to Fort Lauderdale; See you there!
