

♀ HIGHLIGHT OF PHI KAPPA'S activity calendar this fall is the annual Homecoming Student Show.

This is the first time in many years that Phi Kappa has entered Stunt Show, a series of ten minute "miniature musicals" written, staged and acted by a paired fraternity and sorority. We are paired with Iota Alpha Pi sorority.

In keeping with the theme of "Historical Hysteria" we have picked Columbus' discovery of America as our subject for comic development. In this instance, we assume he made his great find in the year 1956.

On Oct. 10 Phi Kappa held its annual banquet at the Chapter house for all alumni living in the Champaign-Urbana area. The turn out was good and we enjoyed one of the cook's delicious steak dinners.

Oct. 20 was the date of the fall pledge dance, "Prohibition Days". Set in a speakeasy scene with shades of the gay '20's we all enjoyed our "gin" from a bathtub.

Among house improvements to be taken up this fall is a remodeling of our kitchen. Work will begin possibly during the Thanksgiving vacation and definitely during the Christmas holidays.

Automatic dishwasher, new cabinets and re-arranging of the working area are planned.
