

Geis is swinging his arms trying to get us tuned up and on the beat. Tryouts are April 23rd and finals are May 11th. In the past two years we've made the finals, placing second in 1957.

At the present time we're also preparing for the annual University of Illinois Mothers' Day week-end which is May 3. Many of the Brothers and Postulants are having their "Moms" visit us that week-end. Some of the activities for this event are banquets, the musical "Carousel", tours of the campus, teas, aquatic events and the overnight stay here at the House for the visiting Mothers.

Other events soon to arrive are the Purdue Picnic, April 27th, the Spring Formal May 9th, a Hayride May 10th and a six hour House team bicycle race for all the Fraternities.

On March 10th Phi Kappa elected its officers for 1958-1959 with John T. Weisenberger, sophomore in Commerce from Oak Park heading the slate as our new president. Other officers chosen were Edward Blahous, vice president; Donald Molnar, Ritual Officer; Richard Buesinger, Chaplain; George Geis, Secretary; Robert Behnke, Sgt.-at-Arms; William Yontz, Chapter correspondent; and Charles Mullett, executive committee member.

Changing from the present very fast pace of social activity to the dragging pace of studying, the Phi Kappa Crows will settle down only to let their softball gloves and tuxes rest while the atmosphere of final exams overcome us beginning May 27th.

In conclusion I might say that Phi Kappa here at Champaign wishes each and every other Chapter a promising Spring program with wonderful weather such as we've had here lately.

WILLIAM YONTZ
