

## Phi Kappa

Illinois

⌘ Fall semester descended on the Illinois "Crow" house with the usual fall house clean up preparatory to rush. The work paid off as we pledged ten top men to Alpha Chi Rho. We are proud to announce that they are Bill Adam, Ken Breeding, Jim Davis, Joe Fischer, John Lebeck, Rich Murray, George Ritscher, Rick Ruddell, Dick Shultz, and Connie White. They've already had exchanges with six of the top houses on campus and have more lined up.

The pledges soon will be honored at our annual fall Pledge Dance, which promises to be a real "swinger."

We of Phi Kappa have initiated a new policy of honoring our alums. At each Homecoming, three different classes of alums are honored at a reunion. This year we honor the alums of '29, '39, and '49.

As for activities, the Illinois Crows again hold much more than their share. Bill Yontz, is major chairman of Block "I", Wayne Stephens is assistant chairman in Block "I", Ken Bonnem is major chairman of "Jazz-U-Like-It," and Chuck Mullett is his chief assistant. George Sellers is head photographer for the Illio, Bill Brahms is a chairman in Cinema International, John Weisenberger is executive officer of Arnold Air Force Society and a cadet colonel in the A.F.R.O.T.C.

Our I. M. football team got off to a good start by defeating the "Dekes."

So you see that we of Phi Kappa are looking forward to an eventful and rewarding fall semester. The best of luck to all Alpha Chi Rho Brothers with their fall studies.
