

record does not show the House spirit which went into each game. The team of Brothers Kent Yauch, Hayek, O'Bryan, Jones, Borowy, Jim Graham, Darrell Pepple and Don Broman, as well as Postulants Tom Schreiner and Bruce MacDonald, though in every game suffering from a height disadvantage, never gave up trying, and should be commended for the way they played.

The social calendar for the semester included the annual "Caveman Drag," held on March 11. It seems that everyone had a good time, even though Brother Dost fell from the top of a bunk while he was crawling through the cave. It also happened to be a 2 o'clock night for the girls and most of the guys took advantage of the extra time by remaining in the cave for practically the entire evening. Coming up on the 13th of May is the Spring Formal which will conclude our Greek Week activities.

Looking back with interest to March 22, the Brothers are awaiting the announced pairing of our House with some sorority for Stunt Show '67. Zeta Tau Alpha is to be our main candidate. This year we intend to better last year's finish by ending up in one of the top three places.

The honorable "Room 9 BS Shovel" award, instituted by Brother Bruce Carlton, has been won so far by Brothers Dan McCausland, Steve Sumner and by Tom LaMantia. To win the shovel it is necessary to feed someone the biggest line between times of the awarding, usually a week. There have been an awful lot of stories flying around lately.

This article shall be my last as within the next week we shall hold elections. To the men of the House that have held office—Dennis Frings, President; Joe Hayek, Vice-President; Bruce Carlton, Chaplain; John Eck, Ritual; Don Broman, Internal Coordinator; Ron Singleton, Pledge Trainer; Kent Yauch, Treasurer; Darrell Pepple, Secretary; Ted Dost, Sergeant-at-Arms, and Steve Sumner, Correspondent—it has been a good year and you have all done a fine job.

To the men of Alpha Phi Chapter: we shall see you at the picnic and intend to beat you this time.

STEVE SUMNER
