

House elections are just around the corner and electioneering has reached a fever pitch. There are a lot of good men to choose from for each office, so this could prove to be a year of surprises.

Social functions haven't been forgotten, of course, and we are glad to announce that the annual Caveman Drag was a great success once again. As a matter of fact, Brother Jones has come back to Brylcream because of Caveman. Quite a few men went home for the weekend, but those who attended made up for those absent. However, the condolence of the Brotherhood is given to our out-of-the-house boarder. Spring Formal is also coming up soon. No definite plans have yet been made, but anticipation is already great.

Something else which has really captured the imagination and enthusiasm of the House is the newly formed Little Sisters Under the Labarum program. This program has enjoyed great success at our Purdue Chapter and other houses on campus. Pledging of the Little Sisters will be March 12 and the announcement will be made in the next *Garnet & White* letter.

In closing, we wish to announce the marriage of Brother Phil O'Bryan to Paula Loy, of Kappa Delta, from Fairfield, Ill. The wedding took place at the Wesley Methodist Church on campus. The ceremony was enjoyed by all present, including Phil's car which was so happy that it couldn't move. The Brotherhood extends its best wishes to a wonderful couple.
