

new and returning men. Twelve eager postulants have arrived as a result of our efforts during rush. They are Kenneth Allers, Manteno; William Augustine, Blue Mound; David Barnes, Shelbyville; Thomas Bennett, Zion; Carter Black, Arcola; Emil Konrath, Evergreen Park; James Perkins, Oak Brook; Donald Pressler, Carrollton; Edward Sidor, Chicago; Stanley Stanczak, Arlington Heights; Craig Stevenson, Yorkville; and James Vieregg, Deerfield; all Illinois.

Last April, House elections were held. The job of guiding the Phi Kappa Chapter this year goes to Brothers John Welsch, President; Michael Jones, Vice President; Richard Figura, Pledge Trainer; Richard Piper, Internal Coordinator; Theodore Dost, Treasurer; Edward Borowy, Ritual Officer; Dane McCaw, Chaplain; Joseph Soling, Secretary; Allen Harless, Sergeant at Arms; Jeffrey Johansen, Chapter Correspondent; Brian Whiston, Scholarship Chairman; and Bruce MacDonald, Social Chairman.

House improvements ran high on our list of accomplishments last spring. Brothers and Pledges combined their talents to completely renovate the basement lounges and give the Chapter House an all-around fresh, new appearance.

Once again the social year was topped off with the Spring Formal which was held at the House. The dance with its Venetian theme was well enjoyed by members and their guests.

This Summer kept the Crows travelling. A great time was had at the first annual Alumni-Undergraduate picnic near Chicago, where the "Undergrad" softball team really had a chance to show its stuff. Many of the Phi Kappa men attended the two summer weddings: Brother Jim Graham was married to Deanne McCarthy and Brother Bruce Carlton to Marianne McBride. Best Wishes! Also, our delegates to the National Convention have reported on a pleasurable and informative trip.

Fall classes are off to a good start, despite Champaign's rainy weather. Prospects for the intramural football team look great, probably due to another brawny pledge class. As for the Big Ten games, once again the House will participate in the nation's largest card section, Block "I".

Of interest is our first full year for Phi Kappa's recently initiated Little Sisters under the Labarum Program. Our first Little Sisters were Kit Dammers, Peggy O'Berg, Marti Wince, Elaine Stungis, Mary Gorman, Nancy Corbin, Lynn Towle, and Gail Vartiak. This year, along with the help of Brother Jim Pautz, we are all planning a terrific Little Sister Rush Program.

Finally, we would like to congratulate our Alpha Phi Brothers on their fine showing in the softball game at our annual Illinois-Purdue picnic.
