

PHI KAPPA

University of Illinois

☞ THE Phi Kappa Chapter recently added these new Brothers: Carter Black of Arcola, Ill.; James Vieregg of Deerfield, Ill.; and David Barnes of Shelbyville, Ill. Initiation was held on February 23. Afterward there was a champagne toast to the newly initiated Brothers, to Alpha Chi Rho and to our continuing and lifelong Brotherhood in Phi Kappa. Since the last issue of GARNET & WHITE, David Edward Burkhart of Mazon, Ill., has pledged our Chapter.

This year the Brothers of Phi Kappa have put forth tremendous spirit and enthusiasm in preparation for our two High School Weekends and formal rush in April. We all pitched in to help Rush Chairman Emil Konrath write letters to high school seniors coming to Illinois in the fall and to make this the best rush ever!

Chapter elections, held February 24, were followed by installation of these men who will guide our House in 1969: Neal Shoger, president; Emil Konrath, vice-president; Al Harless, pledge trainer; Ken Allers, internal coordinator; Bruce MacDonald, treasurer; Jeff Johansen, secretary; David Barnes, chaplain; Tom Bennett, sergeant-at-arms; Vic Enchelmayer, chapter correspondent; Lou Matusiak, ritual officer; Craig Stevenson, scholastic chairman; Brian Whiston, social chairman; and James Vieregg, activities chairman. Good luck to these men in fulfilling their duties in the coming year.

Our annual Cave Man Drag was held in March and our usual expectations were lived up to as the House was transposed into a giant cave. Our Spring Formal is rapidly approaching. We are getting together a folksinging group of Brothers and Little Sisters to entertain our Moms on Moms' Day Weekend, May 3-4.

Our Little Sisters under the Labarum program is now in its second year. We recently held Little Sister spring rush. Our Little Sisters have been a great attribute to us this past year. The Little Sisters are Kit Dammers, Sue Nelson, Lois Kretsch,
