

and enthusiasm in the cleanup and first week classes. They are Jim Conlin, Sullivan; Bruce Douglas, Annawan; Chuck Griesmer, Normal; Chris Kieskowski, Chicago; Ralph Kuhn, Wheaton; Gary Lindemann, Clarendon Hills; Jim Pritch, Villa Park; Jim Scheltens, Clarendon Hills; Leslie Silkey, Champaign; and Mike White, St. Charles. The office of Chapter Secretary has been filled by Brother Joe Soling. Brother Steve Sheffer is now Sergeant at Arms.

A lot has happened to Phi Kappa Crows over the long summer vacation. Three of our Brothers attended the National Convention in Ft. Lauderdale and have filled the House with tales of their educational and exciting trip. They are Ken Allers, Al Harless, and Steve Sheffer. On another note, let me extend congratulations and best wishes from the House to four Brothers who were married since the last issue of G & W. Rich Figura was married to the former Pat Jones of Pekin, Ill. Brother Ted Dost was married to the former Linda Dinicolo of Chicago; their wedding was followed by a big bash in which a number of Brother's spirits were soaring as high as Crows on the wing. Brother Craig Stevenson was married to the former Linda Dannenberg of Aurora. Steve Sumner was married to the former Barbara Martin of Niles. Also our condolences to Brother Dennis Taets who gave his pin to Barb VanHyfte of Annawan, Ill.

This fall Alpha Chi Rho will be well represented at the football games in the largest University cheering and card section, Block I. We hope the Fighting Illini will have a good year and improve on last year's finish. Speaking of football, our intramural team is practicing daily in hopes of a good season. How well the Crow athletes remember the softball game at the Undergrad-Alum Picnic this past August! For the second straight year, the undefeated Undergrad team trounced the Alums. This time the score was 16-9; better luck next year, Alums! The Purdue Picnic was its usual blast with plenty of exciting thrills in the $\Phi K - A \Phi$ softball games in which the teams split a doubleheader.

At last Spring's Formal, Chris Taylor was chosen Alpha Chi Rho Sweetheart. This fall we are planning Dad's Day Weekend in mid-October and Homecoming in early November. Traditions at Dad's Day Weekend include the Pledge Class skit which is usually a satire about the Brotherhood.

Best wishes to all the Chapters in the coming year. Let's make it a year to remember.
