

Groves, Mo., and Donald E. Small of Schenectady, N. Y., were Initiated into Alpha Chi Rho. Both men are enrolled in the College of Fine and Applied Arts.

Our pledge dance, "Railroad Ramble," was held November 2 in the Chapter House. Our living room was decorated as a railway depot, and we converted the card room into a "stock car" complete with hay on the floor. Many signs were procured from several local transportation lines. All came dressed as railroad conductors, porters and section hands.

The annual Dad's Day Weekend was held November 9-10. Although the football game against Michigan did not turn out as planned, all of the Phi Kappa Dads enjoyed a wonderful weekend, including a pledge class skit.

The week after Dad's Day, Phi Kappa made a mass migration to Madison to attend the Illinois-Wisconsin football game. All of us had a good time at Phi Omicron. We discovered that there are many differences between the two campuses. It's a much freer campus than our very conservative University of Illinois. It was a pleasant break, especially since we won the football game.

Our second big social event of the year was our winter formal, Snowed Inn VI. This year the dance was held at the Holiday Inn, November 23.

Since the last issue of the GARNET & WHITE, Glen Johnson, '67, Park Ridge; and David Shulman, '66, Pittsfield, have been pledged to Alpha Chi Rho. Also Brother Don Sanders pinned Miss Joan Southon, Kappa Delta, and Brother Bill Harant has lost his Badge to Miss Linda Bergland, Delta Zeta.

The Pledge Class took its annual walkout on the weekend of December 7th to the Alpha Phi Chapter. After untidying the house and stealing every single light bulb in the place, they kidnapped two Brothers to accompany them on their "field trip." When they returned Sunday evening, they found the house in even a worse mess than it was when they left. Needless to say, they got a chance to display their domestic talents in putting the house back in shape!
