Last October 31, the entire House traveled caravan style to West Lafayette, Ind., to follow the "Fighting Illini". The way the game turned out, it would have been cheaper and easier to follow the team on the radio back in Champaign. Ah, but life has its compensations. We all enjoyed the hearty welcome and cordiality shown to us by our fellow Brothers at Purdue. Because of the loss, we are anxiously awaiting the Spring Softball Game at the "Purdue Picnic".

Twenty-five Phi Kappa Dads enjoyed the annual Dad's Day Weekend at the Chapter House. Saturday evening, after our victory over U.C.L.A., most of the Crows and their dads heard the Varsity Men's Glee Club, in which Brothers Bob Moreen, Walt Weaver, and John Shriver perform, or saw the Dolphin Swimming Show. "They said it couldn't be done, couldn't be done . . ." (with this buildup, you know darn well that it was!) Brother Chuck Hulick got pinned! Miss Ellen Oravec, Chi Omega, was somewhat surprised when *two* dozen roses arrived. So was everybody else! Brother Bob Moreen has his own version of the story, but the "official press release" said that there was a
