

Our new Chapter officers were busy organizing work for the coming semester. Last March, men elected to guide the Chapter were Brothers Lee Johnson, President; Denny Frings, Vice-President; John Eck, Pledge Trainer; Roger Puta, Internal Coordinator; Roger Patelski, Treasurer; Joe Hayek, Ritual Officer; Glenn Johnson, Chaplain; Don Small, Secretary; Ron Singleton, Sergeant-at-Arms, and Dale Schunk, Chapter Correspondent. Appointments by the executive committee were Brothers Steve O'Keefe, Scholarship Chairman; Don Krehl, Intramural Chairman; Lloyd Marquardt, Rush Chairman; Dale Schunk, Social Chairman; John McQuown, Historian; Kent Yauch, Activity Chairman, and Joe Hayek, Etiquette Chairman. Joe finds that he practices his etiquette duties mostly at the dinner table, correcting the new pledges on their manners!

The most exciting news that the Crows heard in the last few months was the results of our alumni fund-raising drive. Over two thousand dollars was raised in a drive headed by Phi Kappa Brother F. H. (Doc) Bachman '38. Thanks to "Doc" and to all Phi Kappi alumni who generously gave to our sincere cause, we were able to make many needed improvements in the House, and are going to continue in the right direction. Plans are being considered to completely resurface our back driveway, to correct cars scraping their tail pipes every time they ascend the drive.

The summer proved interesting for many Crows. On July 31, the annual alumni dance complete with dinner was held in the Tower Club of the Kemper Building in Chicago. Everyone agreed they had a good time. In addition, Brothers Joe Hayek and Roger Patelski attended the National Convention at Syracuse. Joe had laughs for everyone in telling his experiences. Apparently Roger and Joe were disappointed when the Convention ended, except that they escaped some of the evils of work week.

Formal initiation was held on October 10. We are proud to announce our two new Brothers, Steven L. O'Keefe '68, Champaign, LAS, and Donald E. Broman '68, Park Ridge, LAS.

Homecoming was October 16 this year, and thanks to the Homecoming Chairman Don Broman, everything ran smoothly in showing off our newly decorated House. Our annual pledge dance was held a week later, October 23, as the Crows welcomed everyone to join in the fun and "swing out" to the music of the Klansmen, a campus band. Added to this have been exchanges, which have kept our men busy. Of course, they really don't mind.

The newest member of Alpha Chi Rho entered the world on September 18 when Brother John McQuown's wife, the former Celia Meyer, gave birth to a six-pound bouncing baby boy, Robert
