TERRY JOE ROMACK '62 TO LEAD PHI KAPPA IN '60-'61

The new president of Phi Kappa of Alpha Chi Rho is Terry Joe Romack '62. Terry, who is majoring in commerce and hails from the county seat of Jasper County, Newton, was elected to the post at the annual election of officers.

Other major officers include: Robert Behnke '61, Waukegan, vice-president; Leon Schroeder '60, Cowling, treasurer; and Richard Ruddell '63, Robinson, secretary.

A two man chairmanship will head the activities of the all-important rushing task. Entrusted with these duties this year are Gregory Leigh '63, Avon and Al Reitz '62, Des Plaines.

Some of the other men filling house offices are: Fred Wattering '61, Ritual Officer; Richard Murray '63, Sergeant-at-Arms; Dennis Duffield '63, Chaplain; Richard Murray, corresponding secretary; and Wayne Stephens '61, executive-at-large.

ALPHA CHI RHO DINNER DANCE PLANNED FOR FRIDAY, JUNE 10

Save Friday, June 10 for your date at the 1960 Alpha Chi Rho Dinner Dance, to be held at the Glenview Naval Air Station Officer's Club.

Out for a bigger attendance, this year, the committee has selected a dinner dance in place of the annual golf outing as the way in which a larger turn-out can be accomplished.

The evening will start with cocktails at 7 and dinner at 8 P.M., capped with music by John Leslie (Phi Kappa '48) and his Combo.

Reservations, along with your preference for lobster or prime ribs of beef must be received no later than May 20th. Cost is \$12 per couple. Contact Dick Love, 5730 N. Western, Chicago 45, Long-beach 1-3669, or Leo Lauzen, 901 Main St., Aurora, TWinoaks 6-8555.

SEVEN MEN PLEDGED IN SPRING; NEED FALL RUSHEE NAMES NOW

Through the hard work of our co-rush chairmen Greg Leigh and Al Reita, seven fine men were pledged to Phi Kappa in the spring semester; however, Greg and Al point out that names of fall rushees known to alumni should be sent in right away.

The members of the new spring pledge class are:

Neil Gilleran '63, Hinsdale, Eng.
Larry Johnson '63, Park Ridge, Eng.
Chester Laskowski '63, Cicero, LAS
Tom Litvay '63, Hinsdale, Comm.
Donald Nantkes '63, Nokomis, LAS
Bill Welsh '63, Rock Island, Comm.
Gary Wolf '63, Earlville, Eng.

We're happy to welcome these men aboard. We're sure that they'll be coming up with some fine grades and will soon join our ranks as brothers.

Just a word of reminder to all alumni on rushing--the lifeblood of any fraternity. The undergraduate rushing chairmen are planning a better than ever rush program for this summer, but they need help.

They need to hear from alumni about a possible son who'll be entering Illinois next fall or an outstanding senior in your local high school. Speak to the boy about Alpha Chi Rho, and then drop our rush chairmen a line and they'll do the rest. Don't forget!!

NAMED TO U.S. SUPREME COURT CONFERENCE

Albert E. Jenner Jr. '30, Chicago attorney, has been appointed by the U.S. Supreme Court to serve on a nine-man committee of lawyers from all over the country who will review and prepare revisions of the Federal Rules of Civil Procedure.

The committee, called the Federal Judicial Conference, will revamp the rules governing the pleading, trial practice and procedure for all civil cases tried in Federal Courts.

SUGGESTS ALUMNI DIRECTORY

Here's a note from Roy J. Wood '30 suggesting an alumni directory:

"I would like to suggest that Phi Kappa Chapter compile a directory of all living alumni. Now you are publishing names and addresses of alumni, but it is hard to keep track of them this way. This directory could be divided according to classes, and an addition could be issued every year until time for a new edition.

Brother Wood suggests that we toss the ball out to pass around on this idea. Perhaps he would like to head up a directory committee. Alumni favoring the idea and wishing to give Brother Wood a little support can drop him a line at 820 Timber Branch Parkway, Alexandria, Va.

Wm. Lewis Broom '22, retail furniture store owner, died at his home in Effingham.

PHI KAPPA RETAINS "KEG"...The Illini Crows won the traveling trophy for the second year in a row from the Alpha Phi's of Purdue.

The annual picnic was held once again at Peru, Ind. Apr. 25. Sunburns seemed to be the order of the day, and it wasn't anytime at all before everyone resembled broiled lobster tails.

Phi Kappa won the trophy by defeating Alpha Phi 4-2.

MANY SPRING ACTIVITIES FOR AXP

The Crows are certainly taking advantage of the many activities that spring affords the Illini campus.

April 30 was Mother's Day and the Chapter House was taken over by the Moms. The banquet was a smashing success and the entire weekend was most enjoyable for the brothers and their Moms.

The first week in May is set for Greek Week--a week set aside for promoting better relations for the Greek system. Among the activities will be dinner exchanges on Wednesday night and a chariot race and street dance on Green Street Friday.

Local or visiting alumni are cordially invited to pay a visit to the chapter during our open house May 8, concluding the Greek Week festivities.

The 80 mile Grand Prix Bike Race May 14 will find the Crows pumping furiously to bring home another trophy for the mantle.

To top off the spring social season, the Spring Formal, "A Caribbean Cruise", will be held at the Chapter House May 21. Just to fill any extra time we may have, the Crows have two co-rec and one regular softball teams. Oh, yes--then there are final exams....

TO ENTER LAW SCHOOL

Roger P. "Rog" Hansen '51, 104 Isley St., Chapel Hill, N.C. (Box 385), has decided to join the ranks of those "learned in the law" after voluntarily resigning from seven years in the Chamber of Commerce management "rat race."

He will enroll in the University of N.C. School of Law in June in order to be eligible for the '62 bar exams. While in law school, he will also serve as editor of COMPUTING REVIEWS for Dr. John W. Carr III, one of the foremost authorities on the development and application of digital computers.

Brother Hansen also writes that UNC does not have an Alpha Chi Rho chapter among its 18 fraternities and 8,000 students. He's willing to start the ball rollin' on a new chapter there if he can get a little help.

Earl F. Fox '47, 7135th Sch. Gr. (Gen Educ.), APO 633, N.Y., N.Y., is now Coordinator of Physical Education for U.S. Air Forces, Europe, Dependent's Schools. Brother Fox, wife and family live in Wiesbaden, Germany and travel over much of Europe.

Charles N. Clark '17, 2506 Lake Ellen Dr., Tampa 4, Fla. has been so busy since his retirement, he wonders how he ever found time to be "gainfully employed when operating in Sales Management." Much of his time is spent gardening, playing the organ, musical events and visiting with relatives.

He also adds that he has not seen a member of Phi Kappa since Busse Dayton '19 visited about three years ago.

Tom Wiley '46, 2509 E. Blacklidge Dr., Tucson, Ariz., is now an instructor with the civil engineering department of the U of A and is also working on his PhD. His business address is 106-B Engineering U of A.
