

CROW NEWS

IT'S GOOD NEWS

OCTOBER, 1982

FROM THE PRESIDENT

I would like to welcome Brother Carter Black to the Phi Kappa Building Association Board. Brother Black '72 will be serving a four year term from 1982-1986. I was re-elected to the Board and will serve a concurrent term with Brother Black. Brother Ward Brown, who is leaving the Board, has been an asset to the Chapter and should be thanked by the Brotherhood for his service to Phi Kappa.

The Chapter needs your support financially and in terms of time. You could help by serving on the Building Association Board, the Finance Committee or offer service such as legal counsel, insurance agent or graduate editor as several Brothers already are so generously doing. If you do not have time to support Phi Kappa with your time, we request that you support the Chapter financially by paying your graduate dues. The graduate dues are \$15 dollars per year and go toward running the Chapter house and for the CROW NEWS. Please support the Chapter in any way you can. . . with time and/or your dues.

Homecoming '82 is fast approaching and this year's game and Homecoming Banquet will make this a Homecoming to remember. The Brothers from the classes of '72, '62, '52, '42, '32, and '22 will be honored at the Banquet. The Graduate Brother of the Year Award will also be presented at the Banquet. The Brothers who contributed to the 1982 Building Fund Drive will also be honored. Tickets are still available. Make plans now to attend Homecoming '82.

The Building Fund Drive for 1982 is still underway. Contributions for 1982 will be accepted through Homecoming. Please be generous.

Fraternally,
David R. Riley

HOMECOMING = 1982

Homecoming is only a few weeks away and it looks like we're going to have a full house of Alums. The response so far has been tremendous and letters keep rolling in.

If you have not made reservations as of yet, you will probably have trouble finding a motel with any vacancies. If you cannot get reservations, you are more than welcome to bring a sleeping bag and sleep in the dorm or TV room, or you can get in touch with me and I can try to get you reservations at a motel in town or one within a short drive.

After the football game, we will hold our annual Crow Alumni Banquet in Autumn Tree's Towne Hall at 7:30 p.m., Saturday night. The meal will be a banquet dinner buffet with a wide variety of great food. Dinner cost is \$10.50 a person.

At this dinner we will be honoring those from "ten year" classes ('82, '72, etc.) and especially encourage those of you from those years to attend.

We have a lot planned and sincerely hope you can attend. This will be a perfect opportunity to get together with an old pledge brother for some good times.

Please feel free to contact me if I can help you in any way. See you at Homecoming!

Gary L. Schmitz
Homecoming Chairman

ALUMNI NEWS

Ron Skupien '73 writes to tell us that he is associated with Donnelley Marketing Information Services, A Dun and Bradstreet company. His new address is 4085 Garden Ave., Western Springs, Il.

Fred L. Moore, Jr. '47 writes to tell us the address of missing Brother John Gillan '42 is 8077 Via Del Arbor, Scottsdale, Az. 85258. Editor note: Thank you Fred and hopefully other Brothers will follow your example.

David Riley '77 and his wife Ann would like to announce the birth of their daughter, Julia Ann Riley. Julia was born on June 1, 1982, weighing 8 pounds 7 ounces and was 22 inches long.

Joe Camponella '74 has an active family practice in his home town of DuQuain, Il. and he has bought his first Mercedes 380 S.L. Joe remains single until his new girl friend, Tammy, persuades him differently.

Charles M. Clark '16 writes that he was the first President of the Phi Kappa Chapter when it was inducted into AXP from the local Chi Delta in 1916. The great Henry Staunton (a professor of English Literature at Notre Dame, South Bend) had charge of the chapter induction in AXP and instructed Charles into the duties of President of the new Phi Kappa Chapter.

Richard A. Harding sent us an article from the sports section of the Daily Suburban Trib about Dennis Malcolmson '42. Brother Malcolmson has run and finished every America's Marathon of Chicago since its inception in 1977. His best time is 4 hours 17 minutes. At a recent Midwest Masters Track and Field Meet at Wheaton College, Brother Malcolmson finished first in the 880 in the 60-64 age group. Of the marathon, he says: "It's my annual physical. If I can go out and complete that, that shows me my body is okay."

Carleton W. Johnson writes to inform "any of the Old Crows of the 1930 vintage" that he still has fond memories of them and wishes them well.

Bruce A. Lindemann '74 has received a PH.D. in parasitology from the University of Georgia, College of Veterinary Medicine, Athens, Ga. He is currently employed at Univ. of Georgia investigating dirofilariasis in dogs and onchocerciasis in horses.

The picture of the license plates below are those of Brother Lindemann. He got tired of Sigma Nu plates at University of Georgia and decided to start his own 1 man advertising campaign for the Crows.

Dan Nacht writes to give his best regards to Doc Bachman and wish him good luck with his work.

John H. Goddard '25 writes to tell us that he is one of the Brothers who helped move into the House from the rented house on south 4th some 61 years ago. They moved the beds and study room furniture which were on casters by pushing them down the street. At that time, the location and the area south of here were just being developed. Drainage and sewage were not too reliable!
