

We just received a visit from "Buck" Grindle, new field secretary for Alpha Chi Rho. His visit was stimulating and educational for all of us. "Buck" and the men of Phi Kappa had many entertaining and thought provoking hours of discussion about the Fraternity. Now bull sessions with Brothers have a special direction and increased significance.

The House went on a hayride in Arcola and had a great time. Following the ride we all gathered around a huge bonfire, roasted hot dogs and sipped hot cocoa. Let me congratulate Miss Sandy Laird of Panama, Canal Zone, who is now wearing the shiny new pin of Jim Perkins.
