

Glee Club Concert; James Taylor in concert; a trip to Chances R, a local discotheque; and a Penny Casino at the House. All in all, it was a very wild weekend with Crow Dads.

Our Little Sister program is off to a rousing start. We now have 20 Little Sisters Under the Labarum. The Pledges and Little Sisters are entered in a Co-Rec volleyball league, and late in October Phi Kappa is sponsoring its third annual Little Sister Football Tournament. Enthusiasm is at a peak, and the girls have already set their sights on the first place trophy.

Our football team opened its season with a 20-0 victory, and we are looking forward to a possible playoff berth. Our league champion volleyball team already has a victory under its belts, and we are looking to improve on last year's second place finish in the fraternity playoffs. We are paired with Kappa Delta sorority in another Co-Rec league, and two teams are entered in the All-University bowling league.

Although softball is still a long way off, we would like to mention Phi Kappa's double victory over Alpha Phi's at the annual Purdue picnic. Everyone had a great time as is the rule when Illinois and Purdue get together. We are still waiting for the trophies to be returned to us as proof of our victory. What about it Alpha Phi's?

Phi Kappa showed excellent academic improvement last year, and we feel that the trend will continue. Our goal is for the House average to be over a 4.0 this year, as over half the Brothers made at least a 4.0 second semester of last year.

The Brotherhood was saddened by the tragic pinning laveliering of several Brothers over the summer, but nothing aroused our sympathies more than the engagement and wedding of Brother Tom Brown. Seriously, we wish Tom and Kathy "all the success and happiness in the world."

This year promises to be our best ever here at Illinois. We invite all Brothers of Alpha Chi Rho to visit us — remember we've got the best food of the Crow Chapters. The best of luck to all our Chapters in the upcoming year from the Brothers of Phi Kappa at the University of Illinois.
