

PHI KAPPA

University of Illinois

⌘ Everything is continuing to go extremely well for the Illinois Crows. We have forty men living in the House. Since the last letter, we have pledged Rick Schomisch. We also have a new addition to our Brotherhood, Ron Skupien.

In spite of the efforts of the "Room 6" gang we recently pledged seven girls for our Little Sister program. They are Joan Kocinski, Carol Czwarniak, Marian Weinberg, Norma Helsper, Linda Tyrell, Carol Hail and Sherry Menees. Unfortunately, we lost three Little Sisters recently by influences other than the "Room 6" gang.

This year we sponsored our second annual Alpha Chi Rho Little Sister Football Tournament. Due to the great running of Miss Joan Adams and Coach McCaw's outstanding job, our performance was greatly improved over last year, but we fell to defeat in the third game. Coach McCaw's comment about that game was "*!?!;*x*!;*:*"!*!!"

The House has been doing better in sports than in the past. Our football team actually won two games this year — a great improvement over last year's pointless season. Our volleyball team had a great year and took second place in fraternity competition. The bowling team did not fare so well though. After being in strong contention for many weeks, they were put out of it by a couple of poor showings.

On the social scene, we have had the usual pledge dance and formal. We have also had a hayride, Christmas party and a street dance sponsored by the fraternities in our district. Charlie is proud of his efforts in making this a successful semester socially.

In closing, the men of Phi Kappa would like to wish the best of luck for all their Brothers everywhere!

JIM CONLIN
