

PHI KAPPA

University of Illinois

⌘ The second semester has begun here at the University of Illinois, and the Brothers of Phi Kappa have been very busy. We recently initiated four new Brothers and would like to congratulate them. They are Jerry Heisner, Barry Jesse, John Kujawa, and Bob Hagen.

We also have three new Pledges — Roger Clemens, Mike Kellerman, and Dan Driemeyer. Our newly elected executive officers for the second semester are Ron Skupien, president; Bob Schmissieur, vice president; Chuck Griesemer, treasurer; Gordon Fujimoto, pledge trainer; and Jim Smith, internal coordinator. Best of luck to all of you.
