

Our Little Sister program has been very active lately, and we now have a total membership of more than 20. The girls recently presented the house with a new photo album. Thanks a lot, girls. Our recent Valentine's Day dance was a great success, thanks to social chairman Ron Balazs.

The spring semester promises to be a very full one for all of us here at Phi Kappa. We are anxious for our annual formal rush to come, and we are now working to interest high school seniors in the Greek system.

Our athletic program this spring should be exciting, beginning with our basketball team, led by last year's all-star, Bruce Douglas. The Crow bowling team will attempt to better its second place finish of last year, and the soccer squad, led by high scorer Guy Agnostino, is already practicing for the season ahead. This year's baseball team will be anchored by shortstop Ron Skupien.

We at Phi Kappa would like to extend a special greeting to our three Brothers from Phi Mu who came to stay with us during semester break, and we invite all our Brothers to stop by anytime. Good luck to all our Chapters and may this spring be the best ever.
