

One of our Pledges, Rick Turney, has brought a puppy to the House. "Tippy" is fast becoming one of us.

Rush chairman Bob Schmisser is again preparing us for another successful spring Rush. Last year's Rush was very successful, and Bob is promising more of the same.

The passing of the semester will mark the graduation of Chuck Griesemer, Gary Lindemann, Bruce Douglas, Ron Skupien, and Tony Eckert. We appreciate the contributions they have made to Phi Kappa and wish them the best of luck when they leave the University of Illinois. We will miss them.

We enjoyed the visit of the Alpha Phi Pledges, and we're looking forward to seeing them again in early April, when Phi Kappa will again show them who the best softball players are. If you're ever in the Champaign area, stop in and try the meals of our new cook. She is really doing a great job.

We hope all the Crows everywhere have great springs.
