

Carol Czworniak is the new Sweetheart of our Chapter. The trophy presentation and song solo by Jerry Cann highlighted the recent Spring Formal. Russ Proch and Bruce Lindemann did a great job of planning and organizing the dance. Other highlights were Steve Miller's solo on the dance floor and a post formal picnic at Lake of the Woods.

Caveman Drag was even wilder than usual. Fine defensive work by Barry Jesse kept the party from going completely overboard, but Russ Proch and Joe Campanella still had to pay off *True Confessions* not to run their lead story.

Mom's Day weekend was tremendous. Besides the banquet at which Randy Bisping received the Outstanding Pledge Award and Jim Smith received the Al Reitz Service Award, the Atius-Sachen Sing highlighted the weekend. The team of Crows and girls from Delta Zeta reigned supreme after their presentation from the musical *Grease*. Our 1959 costumes and gobs of grease brought roars of laughter even before we started to sing. The many hours of hard work were all worthwhile when we were named "Best of Show."

We have had an outstanding year in intramural sports, finishing third of the 31 houses in our division and first in improvement. Championships in track and bowling, and second place finishes in handball, racquetball and softball helped us to the highest finish that anyone can remember.

Dan O'Dekirk finished second in the 880 yard run and Mike Kellerman gutted his way to fourth in the mile to get us going in the outdoor track meet. Strong efforts in the 440 relay and mile medley and Carl Germain's 440 yard dash enabled us to win the championship. John Kujawa was disqualified and lost his second-place finish in the mile after he confused track and football in the stretch drive.

Our bowling team finished first among the 56 fraternities at the U. of I. and second on campus. The team that beat us consists of five members of the university bowling team. Clutch efforts by Fred Sturmer and Jerry Cann helped us in the championship roll-offs. John Kujawa, Jerry Heisner, and Larry Christensen rounded out the team. Next year should be even better as the five kegglers set sights on the series record set by the 1971 Crow team.

Gary Lindemann, Ron Skupien, Mike Kellerman and Bob Schmisser repeated last year's second-place effort in handball. The championship match was an excellent display of handball talent. Gary and Ron are graduating, but hopefully Mike and Bob, with a little help, will continue our high finishes.

The racquetball team lost 5-4 in a tremendous final match. Clemens, Gary Lindemann and Gordy Fujimoto had excellent seasons, but they fell one game short of the championship. Roger and Gordy will form the nucleus of what, hopefully, will be another outstanding team next year.

The defensive prowess of Ron Skupien and the slugging of Gary Knosher carried us to the softball championship round, but we fell four runs short in the final game. A couple of bad hops and an outstanding defensive play by one opponent cost us the game. Only two players graduate, so we should be on top again next year.
