

have shown. Now it's almost impossible to move in the living room during a party. One great bash was held with Sigma Phi Epsilon. A keg of beer bet on a basketball game resulted in a successful party between the two Houses.

Moving on to little sisters, the House would like to say good-bye and good-luck to Donna Schlipper. She has been a little sister for the past three and a half years, and is finishing her senior year by student teaching up near Chicago. We'll all miss you Donna. The little sister composite has been finished, and Ed Barry is to be thanked for a lot of work put in on it. Ed is now planning a composite for the guys in the House. Along the lines of little sisters, our little sister football tournament must be mentioned. After last fall's tournament that raised over \$200 for charity, we have started planning next fall's tourney. Steve Glos is in charge and we hope to make the tournament bigger than last years.

At this time the House has a few announcements. Rich Shimkus is now lavaliered to Jarda Bottorf. Congratulations to a lucky guy, as Jarda was a good little sister. Also Dave Riley is now a Brother in Alpha Chi Rho, and finally, as this is being written before our annual Purdue Picnic, we are looking forward to having one helluva good time with Alpha Phi, playing softball and drinking beer. Congrats to the winners who hopefully will be us.

One last thing that needs to be mentioned is Rush. Since formal Rush isn't until the end of April, there are no new Pledges to mention, but we are all psyched to get some good men to replace our graduating seniors.

So until next issue, keep feeding the bears as one of them may be me.

RONALD BALAZS
