

our dining room, kitchen, and assorted other areas in the House. The entire project would have cost over \$2,000, but our participation in the work reduced the cost of the work substantially. In addition, five rooms have recently received renovation, and now every room in the House has been improved within the past three years.

We would like to congratulate our new neighbors in the Midwest, the members of the colony at Loyola College. We are proud to welcome you and hope to become well acquainted in the future. We have just received a most enjoyable visit by our honorable Field Secretary, Matt Tornambe. Matt was present at our Initiation Council, when Brothers Bob Vought, John Cross, John Karels, Greg Kuhn, Joe Loitz, Vince Lambrechts, and Rob Rudow were welcomed into our Brotherhood. Matt brought with him many fresh ideas as to how we may improve our Chapter. We appreciate this advice and the work that our National is doing for us. We feel that these efforts have helped us to become one of the top Houses on this campus.

Best wishes in '77 to all of our fellow Crows. †
