

Phi Kappa Crows put on a tremendous showing at the Delta Gamma "Anchor Splash" philanthropy swimming competition. We won first place in the synchronized swimming event, and our own Carl Palmer was chosen as Mr. Anchor Splash. The crowd was obviously saturated with Crows, and our enthusiasm won us the House spirit award and a keg!

Spring Break sent some Crows home to relax and some traveling to Wyoming, California, Florida, the Bahamas and even to Europe. Upon returning from sun and fun, Phi Kappas had Sweetheart Formal to look forward to. This years Formal was held in the capital, Springfield, at the beautiful 30-storey Hilton high above the city.

April 18-20 was Mom's Weekend, and Crows invited their Moms to Champaign-Urbana for a weekend, including plays, musicals, old-time dancing, and champagne brunch. Secretly obtained photos of the Moms in their younger years were made into posters and displayed throughout the House to surprise them, and it really worked!

The remaining few weeks at Phi Kappa will be spent on Spring Rush Weekend, striving to regain the softball championship we won last season, and, of course, preparing for final exams. It's been a great Spring here at Phi Kappa! ϕ
