

meals for you and your family or friends. If you would like a calendar of U. of I. and House events for next year, let us know, and we'll send you one as soon as possible.

Also, we'd like to see more of our alums around for Homecoming Weekend. Homecoming is a great opportunity to get back and renew old friendships and do some serious reminiscing. Homecoming also gives the undergraduates a chance to talk with our alums about what improvements we are making and the plans we have.

Furthermore, one of our goals is to develop greater intraalum communication. How many alums have Pledge Brothers that they'd really like to get in touch with, but just haven't taken the time or don't have their address? At your request, we will send you any alumnus's address that we have on record so that you can get in touch with him. These addresses can also be useful in locating rides for Homecoming.

We'd also like to start a new feature in the "Garnet and White" composed of letters from Phi Kappa alumni. For this we need your help. We'd like you to send us a story about yourself since or during college. We'll send it into the "Garnet and White" as an article. This will give our Brothers from other Chapters and our own to see what you've been doing.

Also, long term plans of our Chapter look for establishment of an alumni association, not just the Phi Kappa Building Association. One function of this group would be to plan for possible reunions of pledge classes. For example, we could plan a reunion of the classes from '55 to '59 in Chicago. This will depend on your interest, so please let us know your feelings.

Finally, I would like to mention some economics. Several alumni have inquired as to whom they should send their alumni fees. You can send your \$15 check to the Phi Kappa Building Association; the address is Phi Kappa News, P.O. Box 255, Champaign, IL 61820.

If you have any extra (?) money that you would like to donate in the best interests of Alpha Chi Rho, the undergraduates have rarely been known to refuse kind generosity. But there is perhaps a better use for your money at this time. Our National Fraternity is in the process of collecting funds for the construction of our own National Headquarters Building. It is our hope that the Phi Kappa Brothers will be some on the first to show pride in their Fraternity by pledging a donation. Crows comprise one of the few National Fraternities that doesn't have its own building for a headquarters, and we surely feel we are not below anyone else.

As you can see, the Phi Kappa Chapter is taking great strides toward the improvement of alumni relations, but your cooperation is essential. It is our hope that you will see clear to give a few hours of your time to the Fraternity which has given us all so much.

Alumni Relations Chairman,  
Jeffrey R. Klein
