

Illinois grads hold meeting

¶ June 1, three members of the Phi Kappa Chapter, Class of 1922, met for lunch at the Admiral Kidd Officers Club in San Diego. They were Ted Koerner, Park Ridge, Illinois; Robert G. (Bob) Thompson, San Diego; and C. Herschel (Hersch) Schooley, Rancho Bernardo, California. Chick Runyon, class of '24, also of San Diego, rounded out the happy foursome.

Schooley was Chapter President his senior year and can lay claim to a "Believe It or Not". He withdrew from his college algebra class to avoid a failure and was not actually graduated with his class, but was recalled in 1972, fifty years later, to the University graduation and convocation to have his degree conferred "with honor." ¶
