

Phi Kappa

University of Illinois

ϕ Crows at the University of Illinois have enjoyed another semester of fun times and academic excellence. The social life of a Crow here is an exciting one — always a party, always a good time. However, parties aren't always the reason for joining our Chapter.

Glenn Smith, Chapter scholastic chairman, says that the pledge class of 1985 is doing well. And the House is, once again, rating among the top in grade point average of Greeks.

Rick Muff, Vice-President and Rush Chairman, has done a great job, bringing in four excellent pledges through Fall Fraternity Rush. Rush at the University of Illinois was a small one, involving only 200 men. However, we feel that the four best came to our House. Rick has furthered this by bringing in six more pledges through informal rush. We congratulate Rick on a great job.

Dale Marquart is doing a fine job as President, bringing the House's reputation up to where it should be. Dale has participated in many functions, some he may regret. He sat atop a pole with an Alpha Chi Omega for two hours; tough break. He also was kidnapped by Sigma Delta Tau and held for ransom.

Bob Cook, our sports co-ordinator, has entered the House in many activities. Our volleyball team came in second place, as did our soccer team. The football team came in third place. We would like to congratulate Bob on his making the Illinois Bowling Team.

Dave Culp, our Little Sister Chairman, has done a great job pledging and initiating over 60 new girls. This brings our active Little Sister list to over 80 girls. We feel we have the finest girls on campus, and they make us feel like the best House.

Jim Sperelakis, our Public Relations man, has done wonders for our reputation. He has the House sponsoring movies every weekend for a fund-raiser. The movies range from "Bel-Ami" to "It Came from Outer Space", a 3-D movie. The more money we make, the more we can spend on social. Thanks for giving your all, Jim.

Phi Kappa Crows had the honor of having Jim "Spence" Spencer, Chapter Consultant, visit us. We showed him what it's like to be a Phi Kappa Crow. Spence had a blast telling us what's going on with our fellow Chapters. We wish them all the best of luck in the coming semester. Phi Kappa Crows would like to say we are doing fine and getting better each semester. ϕ
