

The beginning of September brought our Little Sister Rush, in which 90 girls were recognized under the Labarum. The fall also saw the Crows enjoying tailgate pre-football partying with Zeta Tau Alpha, blood donating with Alpha Delta Pi, and bowling on Dad's Day.

Formal Fraternity Rush brought us bronze, 18 inch "AXP" letters for the side of our Chapter House, as well as three new pledges. Since then four more guys have pledged. The highlight of the pledging was a pledge walk to our Phi Mu Chapter. Bill Iwanski, Keith Erickson, Phil Han and Tom Fifer were successful in completing the walk.

In October we bussed to Arcola, Illinois, for a fantastic hayride and also teeter-tottered for 36 hours with Alpha Xi Delta in freezing rain for the American Lung Association and Red Cross.

This has been an outstanding semester for the Phi Kappa Crows, and we are growing. If you are in the neighborhood, stop in. We will be glad to see you. ♀
